

**MODELO**

GPMM

**Distancia poleas**

Fija

**Estructura**

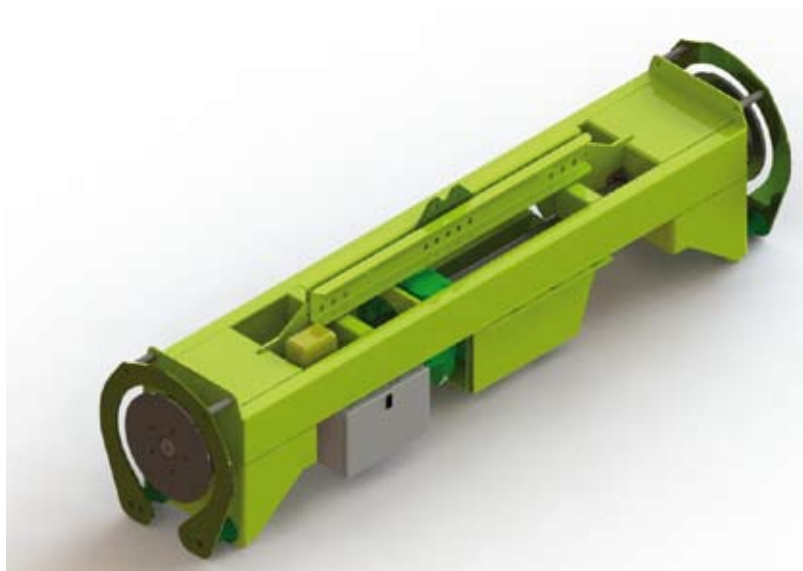

Estructura soldada

**Capacidades y dimensiones**

Sin límite. Según necesidades.

**Opciones**

- Eslinga abierta / cerrada.
- Conector rápido de eslinga.
- Eslinga BASIC / KAMEL / GRASS
- Control remoto.
- Eslinga téxtil o cadena.

**GPMM (modelos estándar)**

| Distancia poleas (mm) | CAPACIDADES (Tn) |   |            |            |            |             |
|-----------------------|------------------|---|------------|------------|------------|-------------|
|                       | 1                | 2 | 4          | 6          | 8          | 10          |
